No. 194. ORDER THEREON, 30th October 1863, No. 1,706.

In August 1861 Captain (then Lieutenant) R. C. A. Marshall was appointed to act as Military Assistant to the Agent in Ganjam. He then held the substantive appointment of First Assistant District Engineer in Nellore on a salary of Rupees 300 per mensem. As Acting Assistant Agent, Captain Marshall drew a consolidated salary of Rupees 558-5-4. On the Agent's recommendation, the pay of the Military Assistant was raised in June 1862, with the sanction of the Government of India, to Rupees 810-5-4, being the highest rate drawn by a Head Assistant Collector and Magistrate. The increase, Rupees 252, was given in consideration of the "enhanced responsibility, expense, labor, and risk to health, to which the Assistant Agent will be subjected in consequence of the general Police and Magisterial arrangements of the District having been introduced into the Goomsoor highlands which are in his range." The Agent having consequently represented that the higher rate of pay would not benefit Captain Marshall in the degree intended, as he was merely acting in the appointment of Assistant Agent (the permanent incumbent being Captain Lane), the Government, looking to the fact that the increase to the salary of the Assistant Agent had been proposed with special reference to the duties which Captain Marshall was to discharge in Goomsoor, and for which he was considered to be specially qualified, decided that the increase should be treated as a personal allowance, to be drawn by that Officer while employed in Goomsoor. This decision was confirmed by the Government of India.

2. It appears from Captain Marshall's letter to the Agent above recorded, that the higher rate of pay was drawn by him up to 30th June 1863, upon abstracts prepared in the following form under instructions from the Civil Paymaster:—

	RS.	A.	P.
Moiety of salary of 1st Assistant District Engineer, Department Public Works.	150	0	0
Pay as Captain of the Madras Staff Corps.	374	1	0
Moiety of net Civil salary as Acting Assistant Agent in Ganjam.	92	2	2
Difference of personal allowance between the total of the above three items and Rupees 810-5-4, the increased sanctioned salary.	194	2	2
Total Rupees...	810	5	4

*Proceedings of the Madras Government, Judicial Department,
30th October 1863.*

In his abstract for July last, Captain Marshall omitted the first of the abovementioned items and increased the amount of the last item, in order to make his total receipt Rupees 810-5-4, as shown below:—

	RS.	A.	P.
Pay as Captain of the Madras Staff Corps.	374	1	0
Moiety of net Civil salary as Acting Assistant Agent in Ganjam.	92	2	2
Difference of personal allowance between the total of these two items and Rupees 810-5-4, the increased sanctioned salary.	344	2	2
Total Rupees...	810	5	4

3. The Civil Paymaster, however, refuses to pass, without the special sanction of Government, more than Rupees 718-3-2, as per particulars below, in consequence of Captain Marshall's appointment in the Department Public Works having been abolished from 1st July last:—

	RS.	A.	P.
Staff Corps pay as Captain.	374	1	0
Deputation allowance of Acting Assistant Agent in Ganjam.	92	2	2
Increase sanctioned by Government.	252	0	0
Rupees...	718	3	2

4. It was the intention of Government, when recommending that the Military Assistant in charge of the Khond Maliahs should draw the highest rate of pay allowed to a Covenanted Civil Head Assistant, to raise Captain Marshall's salary to Rupees 810-5-4 per mensem. At that time, Captain Marshall, as Acting Assistant, drew the full salary then assigned to a Military Assistant Agent, viz., Rupees 558-5-4. It does not appear how this was made up, but probably he was allowed to draw the full salary attached to the office on the ground that it did not exceed the aggregate amount of his Military pay and of his salary in the Public Works Department. The abolition of his appointment in the Public Works Department was a contingency not then contemplated, and was not provided for in the orders passed with reference to his salary; but it was clearly not intended that the personal allowance assigned to him should exceed the difference between the salary then drawn by him and the full salary of a Civil Head Assistant. The appointment of Senior Assistant is now vacant; and from the date, viz., the 6th instant, on which it became vacant, there can be no difficulty in passing to the two Assistants the full salaries attached to the offices in which they are respectively acting, and, in the case of Captain Marshall, the personal allowance which has been assigned to him; and this arrangement is sanctioned.
