Proceedings of the Madras Government, Judicial Department, 2nd November 1863.

No. 6. Read the following letter from R. COLE, Esq., Principal Inspector General Medical Department, Fort Saint George; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Judicial Department Fort Saint George, dated 16th October 1863, No. 220.

I have the honor to forward herewith in a printed form the reports* on food called for in Order of Government marginally noted.

2. I regret that there should have been so much delay in complying with the order of Government, but the documents passed but slowly through the printer's hands, and only reached this office bound on the 2nd instant. I trust also that the value of the report, upon which much labor and pains have been bestowed by Assistant Surgeon Cornish, to whom alone the credit is due, will compensate for the lateness of its appearance.

3. As the reports contain much useful information, I would solicit the instructions of Government that copies be distributed to all Civil Medical Officers and others in charge of Jails.
