Proceedings of the Madras Government, Public Works Department, 19th October 1863.

No. 383. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 8th October 1863, No. 168:—

SIR,

1. In Government Order* No. 462 of 23rd March, Rupees 238 were sanctioned for Subsidiary Jails in South Canara, and Plans and Estimates for Sub-Magistrates' Cutcherries at Karkul and Neileshwar authorized to be provided. But as the Collector's Estimates were drawn up by his Tahsildars, without consulting Range Officers of this Department, it was found impossible to carry out the work, and nothing was done. Mr. Supervisor Fernandez has now supplied me with Plans and Estimates, approved by the Collector, for the requisite alterations to existing Táluq Cutcherries as specified below, viz.:—

* Judicial Department.
1 Plan.
1 Detailed Estimate.
1 Abstract do.
1 Specification.

		RS.
Mangalore Cutcherry	...	150
Buntwal "	...	125
Coondapoor "	...	110
Cassergode "	...	150
Total	...	535

And he has likewise submitted the accompanying Plan and Estimate for two new Sub-Magistrates' Cutcherry to cost Rupees 800 in all.

2. I should not have thought of referring to Government on the first item of Rupees 535, considering the Collector and myself competent to sanction the same, but we have no available funds; my original entries in the District Budget List of Repairs having been cut down in the Central Office to such an extent as to preclude our meeting any extra calls. I would suggest therefore that the Police Budget be indented on to the above extent of Rupees 535, while the Rupees 800 for new works are supplied from the Reserve Fund of 1863-64.

No. 384. ORDER THEREON, 19th October 1863, No. 3,024.

1. Referred to the Judicial Department, with reference to the Proceedings in that Department No. 462, dated 13th March 1863.

2. No funds have been allotted in the current year's Budget for the South Canara District, under the head "Police Buildings," and the amount standing to the credit of the Reserve is very limited.
