Proceedings of the Madras Government, Judicial Department, 23rd November 1863.

No. 160. Read the following letter from Lieutenant Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division; to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 3rd November 1863, No. 3203.

In Proceedings of Government, Revenue Department, No. 600, dated 17th March 1862 sanction was granted for the immediate construction of a Sub-Magistrate's Cutcherry at Poonganoor in the District of North Arcot on an estimate Rupees 1260, and it was determined in Proceedings in the Public Works Department, No. 747, dated 12th April 1862, that the building should be erected in 1862-63.

Enclosures.
One letter from Collector of North Arcot, No. 172, dated 10th October 1863.

2. For some reason, which I cannot trace, it was not then executed; and an allotment equal to the sanctioned amount Rupees 1260 was made for it in the G. O., No. 2575, dated 7th September 1863.

3. An estimate for a Police Station at Poonganoor, amounting to Rupees 1610, appears to have been received in this office; but as far as I can find out was never forwarded to Government for sanction.

4. This, however, is now not of much importance since it has been ruled that, in those places where Sub-Magistrates' Cutcherries are to be built, the Police Station houses are to be under the same roof as the Cutcherry. A re-modelling of the sanctioned plan of Cutcherry being thus rendered necessary, it has occurred to me that nothing can be more suitable than the plan sanctioned by Government in Proceedings, No. 2957, dated 13th October 1863, for the building at Sativady, and in this the Collector concurs, only suggesting certain minor additions.

5. That design, adapted to the rates in force in the north-west portion of the North Arcot District, will cost Rupees 2800, and I have therefore the honor to solicit sanction for the grant of Rupees 1540 in addition to that of Rupees 1260 which has been (as shown above) already accorded.

6. I may observe that the Collector has pointed out in the accompanying letter, that by the construction of a Police Station at Poonganoor, the lock-up which he had suggested to be provided at Palmanair will not be required.

7. I can provide for this Rupees 1540 out of savings to be effected in North Arcot, to be shortly reported to Government.

From J. FRASER, Esq., Acting Collector of North Arcot; to Lieutenant Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Chittoor, 10th October 1863, No. 172.

In reply to your letter* forwarding a revised plan for a Sub-Magistrate's Cutcherry and Police Station under one roof at Poonganoor, I beg to state that I approve of it, save that no provision is made for a necessary of any sort in either the lock-up, or subsidiary Jail ward. I consider that such is absolutely necessary to keep the air of the wards reasonably free of taint. With this addition, I approve of the plan for Poonganoor.

* No. 2822 of 7th October 1863.

2. Two sites seem to have already partly occupied, one in, one outside of the Cusbah town, I think that the new building should be erected in the Cusbah town of Poonganoor.

Referred to the Judicial Department, a copy of the order in the Revenue Department sanctioning the estimate for Rupees 1260, is enclosed.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, D. P. W.
