Two Plans.
One Abstract Estimate.
One Report.
One letter from the Principal Inspector General Medical Department, No. 2941, dated 27th October 1863.

Proceedings, No. 218, dated 20th April 1863.

2. The plan and estimate have been prepared by Captain Palmer, the late District Engineer, in accordance with instructions received from the Deputy Chief Engineer, and in communication with the Acting Inspector General of Hospitals who accompanied Captain Palmer in his inspection of the building.

3. The original estimate provided for every thing considered necessary by the Medical Officers with the exception of Asphalte flooring, for which brick on edge was intended to be substituted on account of the expense of the former. According to the plan, accommodation is provided for the following number of patients.

In the Eastern yard.

4 Wards, each 7	...	...	...	...	...	28
8 Cells „ 1	...	...	...	...	.....	8

In the Western yard.

3 Wards, each 7	...	...	...	...	...	21
6 Cells „ 1	...	...	...	...	.....	6
						27
					Total...	63

4. After inspecting the building I forwarded the plan and estimate, in accordance with the Order of Government noted in the margin, for the approval of the Principal Inspector General of the Medical Department. From his letter returning the estimate it will be seen that all the arrangements are approved of with the exception of the floors, for which Asphalte is considered indispensable. An addition of Rupees 2380 has now been made to the estimate for 68 squares of Asphalte. Ventilators for the cells and a garden were provided for in the original estimate.
