Notification No. 4, published by this Department, under date the 26th January 1854, declaring that "Military Officers removed from one Civil appointment to another shall, in future, "be entitled to the salary of the lowest paid appointment of the two during the period occupied "in transit, provided always that no additional expense to the State beyond the entire emolument "of the two offices shall be thereby incurred."

Resolution No. 3567, passed in this Department on the 5th August 1863, laying down rules for the grant of Deputation Allowances to acting Officers in the Police Department.

RESOLUTION.—As the Deputation Allowances of Officers, including Military Officers in the Police, are, by Financial Resolution, dated 5th August 1863, regulated on the principle of the Covenanted Civil Service Rules, His Honor in Council is pleased to determine, in further assimilation with those rules, that a Military Officer transferred from one Station, District or Province to another in the Police Department shall be allowed a salary equal to that of the lower paid of the two appointments affected by the transfer during the time allowed for joining.

This allowance will entail no additional charge on the State, as it will be met under the new rules out of the total savings of the salaries of absentee Police Officers.

ORDER.—Ordered, that the foregoing Resolution be published in the *Government Gazette*, and that copies of it be forwarded to the Foreign and Home Departments and the Governments and Civil Paymasters in Bengal, Madras, Bombay, the North-Western Provinces and the Punjaub.
