PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th November 1862.

Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, Southern Circle, to the PRESIDENT AND MEMBERS of the Board of Revenue, dated Madras, 17th November 1862, No. 61:—

Submitted to the Board of Revenue for approval prior to the sanction of Government being applied for.

ENCLOSURE No. 1.

From Captain L. PAXTON, Acting District Engineer, Tinnevelly, to Lieutenant-Colonel J. OUCHTERLONY, R. E., Deputy Chief Engineer, Southern Circle, dated Vunnarpettah, 4th November 1862, No. 99.

I have the honor to forward herewith a Plan and Estimate of Rupees 870 for making certain alterations in the Taluk Cutcherry building at Srivilliputtur so as to throw more light into the building, and to inform you that the Collector in his letter No. 306, dated 30th October 1862, requests that you will be good enough to obtain early sanction of Government for carrying out the work as soon as possible.

ENCLOSURE No. 2.—Plan.

ENCLOSURE No. 3.—Report.

ENCLOSURE No. 4.—Estimate.

ENCLOSURE No. 5.—Abstract.

The Board resolve to forward the papers received with the above letter to the Collector of Tinnevelly for brief report. They do not feel at liberty to give their approval to the alterations proposed, without further information. It is observed that while the District Engineer's letter to Colonel Ouchterlony states the object of the alterations to be to *throw more light* into the building, the Estimate seems chiefly for additional accommodation.
