Proceedings of the Madras Government, Judicial Department, 2nd December 1863.

No. 13. Read the following letter from R. COLE, Esq., Principal Inspector General Medical Department, Fort Saint George; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Judicial Department, Fort Saint George, dated 23rd November 1863, No. 262.

Adverting to the Proceedings of Government as per margin, I deem it my duty to bring to the notice of Government a communication (herewith sent) from the Medical Officer in charge of the Lunatic Asylum, reporting a decided improvement in the physical state of Insane prisoner Budun Saib, ordered in the above Proceedings to be sent back to Cuddapah for the purpose of being made over to his brother, who has applied for his release.

No. 1716, 2nd November 1863.

No. 220 of 16th November 1863.

2. The change in the prisoners' condition is such as, in the Medical Officers' opinion, to offer a fair probability of his eventually regaining the use of his limbs, if not thoroughly, at least to a certain extent; and under the circumstances I have desired the retention of the prisoner in the Lunatic Asylum, pending the orders of Government.

From Assistant Surgeon S. MASON, Lunatic Asylum; to J. MAYER, Esq., Deputy Inspector General of Hospitals, Presidency, dated Madras, 16th November 1863, No. 220.

With reference to the Order of Government, 2nd November 1863, No. 1716, I have the honor to report that, since my letter, No. 188 of the 26th September last, to the Session Judge of Cuddapah, intimating that the lunatic Budun Saib had "lost the use of his lower extremities from Paralysis," a decided improvement has taken place in the physical state of the patient.

2. He has rallied so within the last week, that there appears a fair probability of his eventually regaining the use of his limbs, if not thoroughly, at least to a certain extent.

3. As it may be considered prudent under the circumstances abovementioned to detain him in the Asylum for further observation, I deem it necessary to bring the present state of the patient to notice, and shall await further instructions on the subject.

4. The case has been brought to the notice of the visiting Physician, and he also is of opinion that, Budun Saib should for the present continue in the Asylum.

No. 14. ORDER THEREON, 2nd December 1863, No. 1877.

Under the circumstances brought to notice in the foregoing letter, the Honorable the Governor in Council authorizes the further detention of the prisoner, Budun Saib, in the Lunatic Asylum, and directs that, at the expiration of six months, a further report be submitted as to the state of his health and mind.

2. The orders of the 2nd ultimo, No. 1716, will remain in abeyance.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
