Proceedings of the Madras Government, Judicial Department, 9th December 1863.

Read the following papers :—

No. 66. From R. COLE, Esq., Principal Inspector General Medical Department, Fort Saint George; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated 11th February 1863, No. 29.

Referring to the Orders of Government as per margin, I have the honor to submit an Estimate (forwarded direct to the Accountant General), of the cost of the additions to the establishment rendered necessary by the arrangement for affording Medical aid to the Police.

Judicial Department, No. 108 of 26th January 1863.

2. I have suggested an allowance of 15 Rupees per mensem for the Native Surgeons at Polachy and Manargoody, as the detachment of Police to be attended by them are not large.

3. There are Military Officers at the stations marginally named, who administer aid to the Police; those who attend the Head Quarter establishment, as the Garrison Surgeons of Trichinopoly and Bellary, should, I think, be allowed 50 Rupees per mensem. The Medical Officer at Ootacamund should also be remunerated in like manner, as the force stationed on the Hills is very sickly, and at the other Military stations, I would recommend a fixed allowance of 20 Rupees monthly for the Medical charge of details of Police.

MADRAS. 20*th June* 1863.

No. 67. ORDER THEREON, 9th December 1863, No. 1921.

With this letter the Principal Inspector General Medical Department submits the Estimate of the increase to the Medical Estiblishment required for the Mofussil Police for the year 1862-63, which was called for in the Government Order of 26th January last, and has been included as there directed in the Revised Police Budget for the current year.

Sanctioned 23rd June 1863, by Government of India.

2. The grounds on which the Government of India in their letter communicated to the Principal Inspector General Medical Department on the 24th October last, have declined at present to consider the subject of any increase to the allowances of Civil Assistant Surgeons, being equally applicable to all Commissioned Officers of the Medical Department, the provision made in this Estimate for additional remuneration to Military Surgeons in charge of Police Hospitals must be struck out; but with this exception, and the slight reductions noticed in this Order the Estimate seems no more than is absolutely necessary.

3. The reductions are :—

1st.—Reduction of the allowance proposed for the Native Surgeon at Polachy from Rupees 15 to Rupees 10 per mensem on account of the small number of Police, dependent on him for Medical aid.

2nd.—Striking out of the allowance of Rupees 5 per mensem for the 2nd Dressers at Chetterpore and Kimedy, both men being attached to the Agency establishment.

3rd.—Striking out the provision for house-rent and building which do not come under the head of establishment.

4. The 2nd Dresser proposed for Juggiapet in the Kistna District is not required, as the Police Department have one there already, but the saving here is neutralized by the necessity for sanction for a Dresser at Golcondah, who is not entered in Dr. Cole's Estimate, the former sanction for the entertainment of a Dresser at that place having fallen into abeyance from disuse.

5. Sanction will also be required for a menial at Golcondah.

6. The result of these changes will be a reduction of Dr. Cole's Estimate as follows:—

Allowances to Military Surgeons...	Rupees	3000
House-rent, &c.....	„	290
Decrease of Rupees 5 per mensem in allowance proposed to one Native Surgeon.....	„	60
The allowance of Rupees 5 per mensem to two 2nd Dressers struck out.....	„	120
Total	„	3470
Deduct for a menial required at Golcondah...	Rupees	60
Net decrease...		3410

leaving the total amount of the Estimate at Rupees 9234 per annum.

7. In the Tabular Statement which will be submitted to the Government of India, the net *increase of establishment* requiring sanction will be further reduced by the omission of the two Assistant Apothecaries entered in Dr. Cole's Estimate, whose entertainment has been already sanctioned and who will therefore only appear in the *present* scale.

8. The Inspector General of Police will observe that no provision will be required for additional allowances to Military Surgeons in the Budget for the year 1864-65.

Chief Secretary.

No. 68. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 9th December 1863, No. 1922.

I am directed by the Honorable the Governor in Council to submit for the sanction of the Government of India, a Tabular Statement in the usual form shewing the increase in the Medical establishment required on account of the Police Force in this Presidency.

2. No separate Medical provision was made for the Constabulary on the re-organization of the Mofussil Police, and the sick have therefore been hitherto admitted into the nearest Civil Dispensary or Military Hospital, and have been treated by the ordinary Medical establishment.

3. The admission of the Police into the Civil Dispensaries has been the subject of much complaint, and is open to grave objections on many grounds, while the measures recently taken by this Government to oblige the inhabitants of any District where it is wished that the Dispensary may be retained, to provide for its support by local subscription make it impossible to continue to send the Police for treatment at the Dispensaries longer than is absolutely necessary.

Proceedings of the Madras Government, Judicial Department,
9th December 1863.

4. The Inspector General of Police and the Principal Inspector General Medical Department were therefore directed to prepare a scheme for the separate accommodation of the sick in Police Forces, the result of which, as regards establishment, as finally approved by this Government, is the increase proposed in the Tabular Statement accompanying this letter.

5. The scheme at first included the remuneration which it was proposed to allow to Military Surgeons in charge of Police Hospitals, who would not have been provided for, by the grant of the additional allowances to the Civil Assistant Surgeons of this Presidency recommended in Mr. Sim's letter of the 13th June last, but which has now been omitted in consequence of the orders on that subject conveyed in Mr. Lushington's letter of the 29th September last. The scheme now provides only for the remuneration to be assigned to certain Subordinate Officers already employed in the Medical Department, and for the special establishment which must be entertained.

6. The remuneration proposed for the Native Surgeons and subordinates as noted in the margin, has been fixed with reference to the duties required of each, and the numerical strength of the Police under their charge. The Apothecary and Dresser are recommended for these allowances because they are not attached to Magisterial establishments, and the charge of the Police is therefore altogether extraneous to their ordinary duties.

Native Surgeon at Manargoody.....	Rupees	15
Do. at Pollachy.....	„	10
Apothecary at Ghooty.....	„	10
Dresser at Cumbum.....	„	5
Total	Rupees	40

7. The special establishment proposed to be entertained has been carefully considered and is no more than is absolutely necessary for the purpose. It will include 15 Second Dressers on the usual salary of that grade on Rupees 24-8 per mensem, to be appointed to stations where there are at present no subordinates in the Medical Department to whom the duty can be assigned, 43 menials on Rupees 5, and one menial at Ootacamund where all wages are higher, on Rupees 7 per mensem, the whole involving an aggregate charge as shown in the margin of Rupees 589-8 per mensem.

15 Dressers at Rupees 24-8.....	Rupees	367	8
43 Menials at Rupees 5.....	„	215	0
1 Menial at Rupees 7.....	„	7	0
Rupees		589	8

8. The charges to be incurred on account of the increase of establishment now proposed, amounting in all to Rupees 7554 per annum, can be met from the grant under F IV, Police, for the current year.

Chief Secretary.

Proceedings of the Madras Government Dated 7th December 1863

An Estimate for the annual cost of Medical Aid to the Police, submitted by the Principal Inspector General of Hospitals & Medical Establishments, forwarded to Government for sanction.

2. The grounds on which the Government of India in their letter communicated to the Principal Inspector General Medical Department on the 24th October last have declined at present to consider the subject of any increase to the allowances of Civil Assistant Surgeons, being equally applicable to all commissioned officers of the Medical Department, the provision made in this Estimate for additional remuneration to Military Surgeons in charge of Police Hospitals must be struck out, but with this exception, and the slight reductions noticed in this order the Estimate seems no more than is absolutely necessary.

3. The reductions are -

1st/ Reduction of the allowance proposed for the Assistant Surgeon at Vellacherry from Rs 15 to Rs 10 per mensem on account of the small number of Police, dependent on him for Medical aid.

2nd/ Striking out of the allowance of Rs 5 per mensem for the 2nd Drivers at Chettypoot and Kimedy, both men being attached to the Agency Establishment.

3rd/ Striking out the provision for house rent and Building which do not come under the head of Establishment.

4 The 2nd Driver proposed for Jaggapet in the Kristna District is not required, as the Police Department have one there already, but the saving here is neutralized by the necessity for sanctioning

for

for a Dresser at Golcondah, who is not entered in Dr. Cole's Estimate, the former sanction for the entertainment of a Dresser at that place having fallen into abeyance from disuse.

5. Sanction will also be required for a Native at Golcondah.

6. The result of these changes will be a reduction of Dr. Cole's Estimate as follows.

	Rs.
Allowances to Civil Surgeon	3000
House rent &c. — —	270.
Decrease of Rs 5 per mensem in allowance proposed to one Native Surgeon —	60.
The allowance of Rs 5 per mensem to two 2d Dressers struck out. — — —	120.
Total	3470.
Deduct for a Native at Golcondah's	60.
Net decrease	3410

leaving the total amount of the Estimate at Rs 9234 per annum.

In the Sabulur Statement which will be submitted to the Government of India, the net increase of Establishment requiring sanction will be further reduced by the omission of the two Asst Apothecaries entered in Dr. Cole's Estimate, whose entertainment has been already sanctioned and who will therefore only appear in the Present Scale.

8. The Inspector General of Police will observe that no provision will be required for additional allowances to Military Surgeons in the Budget for the year 1864-65.
