Proceedings of the Madras Government, Judicial Department, 24th December 1863.

No. 232. Read the following letter from Lieutenant Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division; to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 12th December 1863, No. 3998.

In their Proceedings of the 12th August 1863, No. 2273, Government sanctioned two estimates, amounting respectively to Rupees 3500 and 775, for adapting the Town Police Court and part of the upper story of the Bonded Warehouse for the use of the Court of Small Causes. Subsequent, however, to the submission of these estimates, other alterations were one by one brought to the notice of the Assistant Engineer by the Judicial Officers, for the execution of which provision has been made in the accompanying estimate, amounting to Rupees 3600.

Enclosures.
1 Abstract Estimate.
1 Plan.
1 Letter from Assistant Engineer, No. 251, dated 7th November 1863.

2. The chief alterations proposed are as follows:—

1st.—Putting up glazed window shutters in lower story.

2nd.—Opening doors in east and west ends of Administrator General's Record room (which will be made over to Small Cause Court).

3rd.—Walling off a portion of a room in lower story for Cash room.

4th.— Do. do. for dining room for Clerks.

5th.—Constructing a spiral staircase and private entrance for the Judges.

6th.—Putting up a large glazed window in the northern gable of the 3rd Judge's Court.

7th.—Roofing over the space between the 2nd and 3rd Court and railing off a passage between them.

8th.—Railing off two of the archways at the northern end of the 2nd Judge's Court.

9th.—Fixing glazed shutters to the three eastern doors in south wall of 1st Judge's Court.

10th.—Fixing (so called) attic windows over the three western doors in north and south sides of Court.

11th.—Plastering, &c.

3. It is believed that with these improvements the requirements of the Judges will be fully met. The works are needful, but decidedly not urgent. However, as they will render the Small Cause Courts as complete as they can be (and this has been the object aimed at in their removal into the old Police Court), I beg to recommend the sanction of the estimate and its entry in the Budget of 1864-65.

Referred to the Judicial Department.
