Proceedings of the Madras Government, Judicial Department, 14th February 1863.

No. 103. Read the following letter from ROBERT COLE, Esq., Principal Inspector General Medical Department, Fort Saint George; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Public Department, Fort Saint George, dated 6th February 1863, No. 22.

From information communicated by the Civil Surgeon Madura, it appears that the Civil Dispensary at that Station is now permanently secured in a sufficient income to be independent of Government aid; and it appears desirable to make immediate provision for the reception of the sick of the Police Force in some other building.

2. It appears that there is a Hospital at Madura which was formerly used for the reception of Military Details, which building is available for the use of the Police Force, and I would recommend its being occupied for that purpose.

No. 104. ORDER THEREON, 14th February 1863, No. 238.

It is observed from the Memorandum appended to Mr. Robinson's letter, recorded in Proceedings 26th ultimo, No. 108, that it is proposed to use "a portion of the Military Barrack in "the occupation of the Police" at Madura as a Hospital.

2. The Inspector General of Police will now give early effect to this arrangement, and, if necessary, a Dresser may be appointed and a menial attendant entertained in anticipation of sanction.

3. Mr. Cole is requested to expedite the submission of the Estimate called for in paragraphs 1 and 2 of the Order of the 26th ultimo.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
