Proceedings of the Madras Government, Judicial Department, 16th February 1863.

No. 113. Read the following letter from J. L. LUSHINGTON, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 4th February 1863, No. 362.

Budget and Finance Department.

1. With reference to the Proceedings of Government in the Judicial Department, No. 78, dated the 21st ultimo, I have the honor to state that there is an expected saving of about Rupees 70,000 out of the Budget grant for "Land Revenue charges," for the current year, as pointed out to the Secretary to Government in the Revenue Department, in my letter, dated the 2nd instant, No. 358, a portion of which might, with the sanction of the Government of India, be transferred to "Law and Justice" to meet certain additional charges* not provided for in the Budget Estimate for the current year under the last mentioned head, and under which there is no surplus available to meet them, as already stated in my predecessor's letters of the 8th and 17th December last, Nos. 301 and 313, recorded in the Proceedings of Government quoted above.

* Madras Penitentiary...	Rs. 8,500
Ganjam, Vizagapatam, Chicacole and Masulipatam Courts	„ 8,588
Rupees...	12,188

2. As there are other charges, besides those under reference, for which no provision was made in the original Budget, and to meet which there are no savings under Law and Justice; and as a Supplemental Budget Estimate for 1862-63, is now under preparation in this office, under orders of Government noted in the margin, I would beg to suggest that these items also be included in that Estimate.

Revenue Department, 30th December 1862, No. 2,698.
Judicial Department, 2nd February 1863, No. 157.

3. In submitting the supplemental Budget for the sanction of the Government of India, the savings expected under the several major heads of service will be taken to account, or, in other words, shown in abatement of the additional grant required for all Departments of the service.

No. 114. ORDER THEREON, 16th February 1863, No. 243.

As the sanction of the Government of India for the reform of the judicial system in the Ganjam and Vizagapatam Districts and for the establishment of a Court of Small Causes in Masulipatam, has not yet been received, the proposed provision, Rupees 3,588, for the expense from 1st ultimo, may now be struck out of the "return of further grants not provided in the Budget" to be submitted by the Accountant General.

2. His Excellency the Governor in Council considers that the amount required for expenditure by the Commissioner of Police, viz., Rupees 8,500, and the fees for Vakeels conducting trials before the Sessions Courts, which, on the average of Rupees 20,000 for the year, will not exceed Rupees 3,500 for the present and ensuing month, may be defrayed from the sum of Rupees 12,800 estimated by the Civil Judge of Tellicherry as "Batta to Peons serving process," provided the amount referred to is available. Otherwise, the Deputy Auditor General, will, as he suggests, include the amounts required in the "monthly return of further grants."

Chief Secretary.
