Proceedings of the Madras Government, Judicial Department, 19th February 1863.

No. 141. Read the following letter from C. F. CHAMIER, Esq., Registrar of the High Court of Judicature at Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 9th February 1863, No. 23.

With reference to the Order of Government, dated 3rd August 1861, I am directed to state that several Judicial Officers having complained that the amount of permanent advance sanctioned for their respective Courts had been found to be insufficient, inquiry was made by the late Sudder Court, and it was discovered that the Jail expenses had been included in many of the Estimates, and the Estimates had been otherwise erroneously prepared.

2. The Civil Judges were accordingly required to report what had been the actual expenditure during three months for strictly Judicial purposes, and to specify what would be a sufficient advance to meet two months' contingent charges on the average.

3. This information having now been received, I am directed to submit the accompanying revised Estimate for the sanction of Government. In this Statement the Courts of Small Causes have likewise been provided for; and two months' contingent expenses in the Courts of the District Moonsiffs, according to the rate sanctioned by Government on the 18th August 1862, have also been included.

4. The amount now found to be required on account of permanent advances for the several Courts is Rupees 10,359-7-2, instead of Rupees 30,600.

No. 142, ORDER THEREON, 19th February 1863, No. 260.

The Estimate, amounting to Rupees 30,600, sanctioned in Proceedings 3rd August 1861, No. 404, as a permanent advance for the current contingencies of the several local Courts, having been found to include Jail expenses and to have been otherwise erroneously prepared, the High Court submit a revised Estimate, amounting to Rupees 10,360.*

2. The revised Estimate includes a permanent advance at the fixed rate of forty Rupees each to 134 Moonsiffs. The number of Courts of this class entered in the Budget Estimate for 1863-64 is only 131. The Governor in Council requests that the High Court will furnish a list of the Moonsiffs' Courts now in operation in each District.

His Excellency the Governor in Council sanctions permanent advances aggregating five thousand Rupees for the current contingent expenditure of the 42 Courts referred to in the margin.

4. The Accountant General is requested to issue instructions to the Treasury and the Judicial Officers for the adjustment of the advances now outstanding, in reference to the sums now sanctioned as shown in the margin.†
