Read Extract from the Proceedings of the Government of India, in the Home Department, under date the 24th November 1862, No. 6,731, regarding the rate of Travelling Allowance to be drawn by the several grades of Police in India.

RESOLUTION.—His Excellency the Governor General in Council observes, that there is a diversity of practice in granting travelling allowance to the different grades of Police Officers under the several local Governments and Administrations in India.

2. His Excellency in Council sees no necessity for different scales in different parts of India except Bombay, regarding the Police of which Presidency a separate report is expected), and he directs the observance of the following scale :—

For	Inspector General	...	... 10 Rupees per diem.
„	Deputy do.	...	... 6 „ „
„	District Superintendents		... 5 „ „
„	Assistant District Superintendents		... 4 „ „

3. These rates shall only be drawn during a march, or while under canvas. A halt in camp of more than one week shall entail the reduction of the allowance by one-half; when the halt exceeds a fortnight, the allowance shall altogether cease.

4. When Police Officers below the rank of Assistant Superintendent may be detached on special and extraordinary duty, their actual expenses shall be charged in a Contingent Bill.

5. The Inspector General is authorized to allow a mileage rate (8 Annas a mile or 3 Annas a mile) *in substitution* of the abovementioned daily rates, when a greater distance is travelled in a day than 20 miles.

6. The travelling allowance bills of the several Officers concerned shall be invariably countersigned by their immediate official superiors.

Table prepared from the replies to the Circular, Home Department, dated 3rd May 1862, No. 2,273, showing the travelling allowance given to the several grades of Police under the local Governments and Administrations.
Letter from Inspector General of Police in India, No. 83, dated 20th September 1862.
