*Proceedings of the Madras Government, Judicial Department,  
27th February 1863.*

No. 237. Read the following letter from W. ROBINSON, Esq., Inspector General of M. Police; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Nellore, 21st February 1863, No. 429.

Account Department.

So short a period remains now to the close of the Financial year within which it is desirable to effect as much as possible in the putting of the Police Force, that I would solicit the authority of Government to my transferring, in consultation with the Chief Engineer, any balances of the previously sanctioned sums, that from local causes it has been found impossible judiciously to expend in one District to another where more urgent needs exist, without the necessity of making a separate reference to Government on each occasion. The whole sum has been already devoted by Government to this purpose, and the course I propose would save much valuable time.

No. 238. ORDER THEREON, 27th February 1863, No. 321.  
The Governor in Council sanctions the arrangement proposed in the foregoing letter.

(Signed) A. J. ARBUTHNOT,
