Surgeon Leslie was of opinion that the climate of Madras was too enervating for this man's
case, and would not therefore recommend the change.
Assistant Surgeon Rogers who was a Member of the Committee on prisoner Leeman app
to coincide with the opinion of Surgeon Leslie.
Dr. Linton, the Deputy Inspector General of Hospitals, Southern Division, visited prisoner
Ross with me on the 21st instant, and having examined the man considers
in this clim
bility derive benefit.
