*Proceedings of the Madras Government, Judicial Department,
7th March 1863.*

No. 31. • Read the following letter from J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated 3rd March 1863, No. 416.

Budget and Finance Department.

*Marked A.

1. I have the honor to enclose, for the information of Government, copy of a Statement* furnished by me to the Officiating Civil Paymaster, showing certain items of charges not provided for in the current year's Budget, and which may be passed against other items of charges included in that year's Budget under the same heads of service, some of which will not be incurred in the current year, and in others savings are expected.

† 23rd December 1862, No. 2,112, Judicial.
6th February 1863, No. 199, "
16th " " No. 243, "

2. The charges referred to in the Proceedings of Government noted in the margin,† are all included in the Statement above alluded to. Any further items of Military pay, &c., of Non-Commissioned Officers and Privates, which may be payable by the Civil Department, will be duly authorized by me, as directed in the 2nd paragraph of the Orders of Government of the 6th ultimo, marginally noted above.

3. In the Statement now forwarded are also included the additional charges which devolved upon this Presidency, consequent on the abolition of the Special Meeriah Agency. A Statement of particulars composing the sum of Rupees 20,808 estimated on this account also accompanies, marked B, with reference to the Proceedings of Government in the Judicial Department, No. 1,679, dated 13th October 1862. The charges included in this Statement are only those debitable to "Law and Justice," the portion debitable to "Police" being passed from savings under that head agreeably to the Proceedings of Government of the 14th August last, No. 1,315.

4. The moiety of the salary of the Assistant Apothecary at Russelcondah, which, in my letter to your address, dated the 25th ultimo, No. 633, I requested may be ordered to be advanced; being included in the sum of Rupees 20,808, above alluded to, it will be unnecessary that orders should be passed thereon, and if issued they may be cancelled.

5. As all the charges in the accompanying Statements have been fully admitted by Government, and the only question connected with their audit by the Civil Paymaster, is the want of savings in the Budget, under the proper heads of service to meet them, I have, anticipating the approval of Government, instructed that Officer to pass them at once, and have further instructed the Officers concerned who have made advances to adjust them upon audited bills to be submitted by them.

*Proceedings of the Madras Government, Judicial Department,
