Proceedings of the Madras Government, Judicial Department,
12th March 1863.

No. 50. Read the following letter from L. C. INNES, Esq., Civil Judge, Rajahmundry; to C. F. CHAMIER, Esq., Registrar of the High Court of Judicature, Madras, dated Rajahmundry, 21st February 1863, No. 62.

1. In forwarding a plan and valuation estimate of a house in Taylorpetta at Nursapoor, I have the honor to request you will be good enough, with the permission of the Honorable the Judges, to obtain the sanction of the Government for the purchase of the house in question for the District Moonsiff's Court of Nursapoor for Rupees 1,400, for which sum the Moonsiff informs me the owner S. Venkaya is willing to part with it.

2. The Assistant Supervisor, as you will see from the enclosed copy of a letter to the District Engineer, states that the sum of Rupees 1,400 is a fair price.

3. Copy of the letter of the Sub-Collector on the subject is appended.

4. It has become necessary for the Court to quit the buildings in which it is at present held, as one of the joint owners is unwilling that it should be held there any longer and has given notice to the Court to quit.

5. Nursapoor being an important town must always be the station of a Court, and I think therefore that the money will be well expended.

6. It seems clear that the Government could not build a similar house for the sum at which it is offered.

(True Copy.)

(Signed) C. F. CHAMIER,
Registrar.

The Registrar is directed to forward copy of this communication and the original enclosures for the orders of Government, and to state that under the circumstances stated, it appears to the Judges that it would be more to the advantage of Government to purchase the house in question than to erect a new Court house for the District Moonsiff of Nursapoor.

(By order of the Court.)

(Signed) C. F. CHAMIER,
Registrar.
