Paragraph 2. Adverting to the Statement for the Judicial Department, the sanction given by the Government of Madras to the increase* reported is confirmed, and item 2 (13 in the Civil Paymaster's Statement) may be included in the Budget for 1863-64, as proposed in your letter. With respect to this item, however, the President in Council observes that although the sanctioned amount, Rupees 54-8-0 a month, is stated not to have been incurred, the column of the Statement showing the "previous scale" indicates that a Jailor on Rupees 10-8-0 a month was entertained, but it does not appear that his services were actually required. His Honor in Council requests that an explanation be furnished on this point.

* Items, Nos. 12, 13, and 14 in the Civil Paymaster's Statement.
