Proceedings of the Madras Government, Judicial Department, 23rd March 1863.

No. 153. Read the following letter from A. P. HODGSON, Esq., Acting Magistrate of South Canara; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated on Circuit, Hebry, 24th February 1863, No. 5.

With reference to paragraph 8 of the Order of Government, dated 23rd December 1862, No. 2,114, I have the honor to enclose a revised list of the localities where I consider Subsidiary Jails to be emergently required.

2. I beg to state that there are no Police Station houses at Cundapoor, Mangalore, Buntwal and Cassergode, and that the Police occupy parts of the Cutcherries at those places. The prisoners under trial being, therefore, kept in these Cutcherries, two additional lock-ups are required at each, the estimated cost of which is Rupees 238.

3. On receipt of the Order of Government above referred to, I communicated with the District Engineer in regard to the proposition contained in paragraph 11 to combine the Police Station and Sub-Magistrate's office in one building at Karkal, Beltangady and Neelaishwur respectively; and was informed by him that the proposed addition could not be made to the Station houses without the ventilation of the lock-ups being obstructed; and, moreover, that the buildings at Beltangady and Karkal had been commenced and were in a forward state. The Sub-Magistrate of Beltangady occupies a thatched building which was formerly the Peshcar's Cutcherry, and in which, for the present, he can very well hold his office, whilst the persons sentenced to imprisonment by him may be sent to the Subsidiary Jail at Upinangady.

4. A small house has been hired for the Sub-Magistrate of Karkal; but the accommodation which it affords is wholly insufficient; and, as there is no Government building in the town of Karkal which the Sub-Magistrate can occupy, it is necessary that a new building should be constructed for his use. It need, however, be a thatched building only, costing not more than 150 Rupees. This outlay, as well as that required for providing proper prison accommodation in the Cutcherries at Cundapoor, Mangalore, Buntwal and Cassergode, I request may be sanctioned at an early date.

5. The Station house at Neelaishwur will not be commenced till next year. The standard plan may therefore be so altered as to give in the building to be constructed the accommodation that is required both for the Police and the Sub-Magistrate's establishment.

Revised list of the localities where Subsidiary Jails are emergently required in the District of South Canara.

No. 154. ORDER THEREON, 23rd March 1863, No. 462.

His Excellency the Governor in Council sanctions the estimate of Rupees 238 for providing additional accommodation for prisoners under short sentences in the Sub-Magistrate's Cutcherries at Cundapur, Mangalore, Buntwal and Cassergode in the District of South Canara. The source from which this expenditure is to be met will be pointed out in the Department Public Works.

Proceedings of the Madras Government, Judicial Department,
23rd March 1863.

A plan and estimate of the building, which it is proposed to erect at Karkal, should be submitted in the usual way through the same Department. His Excellency in Council, however, is inclined to think that the use of a more lasting material than thatch for the roof will be advisable.

Chief Secretary.
