FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 2nd December 1862, No. 1,027A.

FORT WILLIAM, FINANCIAL DEPARTMENT, THE 2ND DECEMBER 1862.

MEMORANDUM.

According to rule, the Budget provision for Salaries and Establishments should relate to such only as are in the sanctioned scale. But it will conduce to greater accuracy in estimating the annual charge if the Budget be made to show also the amount of fresh charges contemplated by the Local Government, on account of Salaries and Establishments which have not received the sanction of the Supreme Government, provided these be distinguished from the sanctioned scale.

3. It is directed, accordingly, that charges of this latter character be entered in the Budget, under orders of the Local Government, but that every such item of unsanctioned charge be written in red ink, and that, in the abstract of each class of service, the total of the unsanctioned items be shown separately from the total of the rest of the Estimate; thus:—

Service...	0	0	0
Proposed, not sanctioned...	0	0	0
	0	0	0

3. The Deputy Auditors and Accountants General are also requested to avoid, if possible, the use of cut pages in their Estimates, that is of pages from which the column descriptive of the items of charge is cut out, as it retards the examination of the Estimates, and is apt to cause errors by any defect in the stitching of the pages, or in the linear arrangement of the figures.

Secretary to the Government of India.

To the Auditor General of India.
„ Accountant „ „
To all Deputy Auditors and Accountants General.

No. 1,028A.

Ordered, that a copy of the above Memorandum be forwarded to this Government, in the Foreign and Home Departments, and to the several Local Governments and Administrations, for information, with the remark of His Excellency the Governor General in Council, that the inclusion, in the Estimates, of unsanctioned charges which it may be contemplated by the Executive or Local Government to incur, will not do away with the necessity for separate sanction to the charges, before they can be incurred, or be audited by the Civil Paymaster.
