The Government expect to receive from Mr. Rhode direct, information on the points noticed in Proceedings dated 14th November 1862, No. 2,747. Referring to the letter addressed by that Officer to the District Engineer, No. 689, dated 31st December 1862, they would observe that they did not call into question the fact that authority was duly obtained for carrying out certain additions to the Ootacamund Jail for which the estimates did not provide. letter purporting to explain the causes of excess however, must, if not containing itself the information required, at least refer to the several communications addressed which explain what the additions were which necessitated the increased outlay. Mr. Rhode's letter to the District Engineer is not a full reply to the Proceedings of Government quoted above.
