*Proceedings of the Madras Government, Judicial Department,
11th April 1863.*

No. 75. Read the following letter from JOHN MILLER, Esq., Administrator General, Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government. Saint George, dated Madras, 2nd April 1863.

1. I have the honor to submit, through the Civil Auditor, the enclosed Medical Certificate and to solicit from Government leave of absence to Europe for 12 months from the date of my embarkation from Madras, under Sections 4, 5, 6, 25 and 30 of the Covenanted Civil Service Absentee Rules.

2. A doubt having been expressed as to my right to receive an equal moiety of the emoluments of my Office whilst absent on leave, and as I could not avail myself of the benefit of my leave if my entire allowances were taken away from me, I deemed it advisable, before sending in my papers, to address the Civil Auditor on the subject, and annexed I have the honor to send you a copy of my letter and of that Officer's reply.

3. I have the honor to request that you will lay this decision of the Civil Auditor before Government, and to prevent difficulty hereafter, I beg to solicit that Government will be pleased to state in the Order to be passed on this application, the allowances to which I and my *locum tenens* will be entitled.

No. 23.

Eligible under Sections IV, V, VI and XXX of the Covenanted Civil Service Absentee Rules to one year's sick leave to Europe.

8th April 1863.

(Signed) H. A. MANGLES,
Officiating Civil Paymaster

To the Chief Secretary to Government.

From JOHN MILLER, Esq., Administrator General, Madras: A. MANGLES, Esq., Civil Auditor, Madras, dated 26th March 1863.

1. Having been advised to go to England on leave on Medical Certificate, I am desirous of ascertaining what I should be allowed to draw during my absence on such leave, in order that I may determine whether I can afford to avail myself of this indulgence.

2. I would draw your attention to the circumstance that my office is paid by a commission of 5 per cent. on the assets of all Estates collected and distributed (see Section 26 of Act 8 of 1855), and that in consequence of the commissions of the Administrators General of Madras and Bombay having been small, the Government have been pleased to supplement the commissions of the office at Madras by a monthly allowance of 700 Rupees.

3. There can, I imagine, be no question as to my being entitled to a moiety of the monthly allowance of 700 Rupees, but my right to participate in the commissions having been mooted, I have deemed it best to refer the question to you in order that it may be definitively settled.

4. The favor of an early reply is solicited.

From H. A. MANGLES, Esq., Officiating Civil Paymaster; to J. MILLER, Esq., Administrator General, Fort Saint George, dated 27th March 1863.

In reply to your letter of the 26th instant, I have the honor to state that as Law Officers of the Government, can obtain sick leave under the conditions prescribed in the case of Covenanted Civil Servants both as respects the periods of absence and the limitation of allowances, and as it is ruled in Section XXV of the Covenanted Civil Service Absentee Rules, that Commission or Fees, where such services of emoluments exist shall be regarded as forming part of the income of the Officer to be relieved subject to the prescribed deductions, I am of opinion that you will be entitled to half the salary and fees appertaining to your appointment, provided that both together do not exceed the sum of Rupees 10,000 per annum.
