*Proceedings of the Madras Government, Judicial Department,
22nd April 1863.*

Read the following papers:—

No. 197. From D. F. CARMICHAEL, Esq., Acting Agent to the Governor in Vizagapatam ; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Vizagapatam, 18th March 1863, No. 84.

Major Owen, the Senior Assistant, is entitled as a Major in the Army (he has left the Staff Corps) to pay and allowances amounting to Rupees 759-3, per mensem. But the Civil Auditor objects to his receiving more than Rupees 558-4, being a Head Assistant's pay, and has passed his last Bill for 375-11-4 only, the rest 182-10 being drawn from the Military Department under the head of pay proper.

2. I beg to submit the question for the orders of Government.

Referred to the Civil Paymaster for report in communication, if necessary, with the Controller of Military Finance.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 198. From H. A. MANGLES, Esq., Officiating Civil Paymaster ; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated 1st April 1863, No. 422.

Revenue Department.

With reference to your endorsement on the letter from Mr. Carmichael, Acting Agent in Vizagapatam, dated 27th ultimo, I have the honor to report that the salary of the Senior Assistant Agent in that District was fixed at Rupees 448-5-4, and when held by a Military Officer is treated as a consolidated one, including the pay and full Regimental allowances of the Officer holding the appointment.

Major W. G. Owen is according to the Rules on the subject, allowed to receive from the Civil Department salary at the above rate minus the pay proper of his rank at Rupees 182-10, which is paid to him in the Military Department.

According to the ruling of the Government of India, dated 14th October 1862, No. 689G, a Staff Corps Officer in the position of Major Owen, that is holding an appointment the consolidated salary attached to which is less than the Staff Corps pay of his rank, is entitled to receive the difference from the Military Department ; but I am not aware whether this rule has been made applicable to other Military Officers in Staff employ.

No. 199. ORDER THEREON, 22nd April 1863, No. 623.

The Governor in Council observes that the ruling of the Government of India contained in their Proceedings in the Financial Department, dated 14th October 1862, No. 689G, applies only to Staff Corps Officers in Civil employ. Under that Resolution the Local Government is required to report every case in which a Staff Corps Officer in Civil employ by Army promotion obtains higher allowances than the salary sanctioned for the office in order that each case may be specially inquired into by the Government of India, and decided on its merits.

2. The ruling in question does not appear to have been extended to other Military Officers in Civil employ, but the principle seems to be equally applicable. Before however passing orders in the case, the Governor in Council resolves to refer the papers for the opinion of the Controller of Military Finance.

Chief Secretary.
