I ha[illegible]nor to inform you that the Collector addressed me a letter date and number as per margin,* requesting the preparation of plans and estimates for Travellers' Rest Houses and Sub-Magistrate's Cutcherries at the pla[illegible] Wynad noted [illegible]† the same having been approved b[illegible] Board of Revenue.‡

* [illegible]5,310, dated 6th November 1862.

† Chalipoya and Goodaloor.

‡ In Proceedings, dated 3rd November 1862.

As two of the buildings were above 500 Rupees in amount, I requested§ Mr. B[illegible] to get the sanction of Government for the preparation of detailed plans and estima[illegible]

§ [illegible]71, dated 2nd February 1[illegible]

In the Proceedings|| of Government received with your Proceedings, dated 23rd January 1863 and 27th January 1863 respectively, the sum of 200 Rupees was sanctioned for a Post Office at Goodaloor, from the Reserve Fund, the money to be expended i[illegible]g on a room to the Sub-Magistrate's Cutcherry.

|| No. 191.

4. This Sub-Ma[illegible]s Cutcherry however has never been sanctioned, and I now [illegible] plan and estimate for the building including accommodation for the Post Office, amounting Rupees 670. I have also submitted another plan and estimate amounting Rupees 460 for the other Cutcherry required at Chalipoya.

5. I forwarded those plans and estimates to Mr. Ballard for submission to [illegible] sanction, but he returned them to me requesting that I would immediately execute now send them direct to you to avoid delay, and shall inform Mr. Ballard of the same.

6. I have no money at my disposal for the execution of these works as my General Fund allotment is already insufficient for sanctioned works.

In conclusion, I beg to state that I could not build a Post Office at Goo[illegible] Rupees 200, though the sum may be expended in affording accommodation for this purpose in the building proposed for a Sub-Magistrate's Cutcherry.

No. 264.

Submitted for the sanction of Government from the Reserve Fund two plans and estimates amounting to Rupees 670 and Rupees 460, respectively, for constructing Sub-Magistrates' Cutcherries and Post Offices at Goodaloor and Chalipoya, in the District of Malabar, countersigned by the Collector, and approved* of by the Board of Revenue.

* Dated 15th April 1863.

2. In their Proceedings, No. 191, dated 23rd January 1863, Government granted from the Reserve Fund a sum of Rupees 200, for constructing a Post Office at Goodaloor; and as a building could not be erected for that amount, the District Engineer made the necessary provision for the work in the estimate of Rupees 670. If this estimate be approved of, the sum already authorized may be deducted therefrom and the balance (Rupees 470) sanctioned from the source recommended above.

3. The net amount requiring sanction would then be 470+460=930 Rupees.
