Proceedings of the Madras Government, Judicial Department, 28th April 1863.

No. 235. Read the following letter from Lieutenant Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle; to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, P. W. D., dated Chepauk, 24th January 1863, No. 535.

1 Specification rep[illegible]

I have the honor to forward for submission to Government, plans with estimates, amounting in the aggregate to Rupees 9,940, for constructing two new Cutcherries at the Police Divisions of Podile and Darisi, in the Nellore District.

2. The necessity for these [illegible]ies has been fully explained in Mr. Dyk[illegible] to Government, No. 47, dated 19th December 1862, copy of which is herewith forwarded. The Board of Revenue have also approved of the work[illegible] vide their Proceedings, No. 178, dated 13th January 1863.

3. Under these circumstances, I beg to submit the estimates for the consideration of Government; but am unable to point out a source whence, if sanctioned, they may be met. The Acting District Engineer states that Rupees 3,600 are available during the current year from the amount allowed for repairs of buildings for expenditure on these Cutcherries, but I cannot at present recommend such a diversion of funds, as there are three months of the year yet to run and that amount or a part of it may be required for repairs during this period.

Referred to the Judicial Department.
