*Proceedings of the Madras Government, Judicial Department.*

*28th April 1863.*

Read the following papers:—

No. 237. From B. CUNLIFFE, Esq., Magistrate of the Madras District; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated 4th March 1863.

With reference to my recent letter regarding the Jail at Guindy and the removal to this office of the English records lodged there, I have the honor to state that on passing the Jail the other day, I observed that two large rooms were occupied by the Jailer, and as I was informed temporarily, until his own quarters were put in repair.

2. The Judge of Chingleput has directed the Jailer to repair his house at once, and when this is done, his present rooms will be ample for the short sentenced prisoners of this portion of the District, and will render unnecessary their committal to the Chingleput Jail.

No. 238. From the Honorable R. S. ELLIS, c. s., Acting Collector of Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Saidapet, 27th March 1863, No. 24.

I have the honor to acknowledge the receipt of the Order of Government, dated 24th March 1863, No. 469.

2. I concur with Mr. Cunliffe in his opinion that the only room available for the official records, now at Guindy, in the main building at Homes' Gardens, is too small to contain these records, and I am of opinion that it is inconveniently situated for the purpose of a record room, the only access to it being through the room in which the Collector holds his Cutcherry.

3. This room, in which the Collector holds his Cutcherry, is in part occupied by a considerable number of Clerks and their desks, and it will be a serious inconvenience if the Collector is deprived of a retiring room. An addition to the present record room, sufficiently large to contain the records now at Guindy, could be made without much expense.

No. 239. ORDER THEREON, 28th April 1863, No. 653.

An estimate will be called for in the Department of Public Works, of the cost of adding to the present record room as suggested at the conclusion of Mr. Ellis' letter of the 27th ultimo.

2. The Governor in Council presumes that the two rooms in the Guindy Jail, to which reference is made in Mr. Cunliffe's letter of the 4th ultimo, has been made available for the confinement of short sentenced prisoners.

(Signed) A. J. ARBUTHNOT,  
Chief Secretary.
