Proceedings of the Madras Government, Judicial Department,
19th January 1863.

No. 85. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council at Fort Saint George, dated India Office, London, 8th December 1862, No. 83.

1. The Administrator General of Madras has reported to me through the Official Agent that he has realized a sum of Rupees 12,374-9-9 on account of the Estate of Mary Goodenough, which Estate has become an escheat to the Crown by failure of lawful heirs.

2. In connection with this I have received through the same channel, and have considered in Council a Memorial from George Goodenough, the natural brother of the deceased, who is a Student in the Doveton College, in which he prays that a grant may be made to him out of such Estate; and in accordance with the usual practice in such cases, I have determined to admit George Goodenough's claim, and to grant him $\frac{3}{4}$ths of the net balance to be made over to Government by the Administrator General.

3. You will therefore call upon the Administrator General to pay into the Government Treasury the net balance of Mary Goodenough's Estate, and out of it to pay over to George Goodenough, the porportion above indicated, reserving the remaining $\frac{1}{4}$th for the use of Her Majesty for the purposes of the Government of India.

No. 86. ORDER THEREON, 19th January 1863, No. 66.

Communicated to the Administrator General, who will pay into the Bank of Madras as an escheat to the Government, the net balance of the late Mary Goodenough's Estate, and inform the Government of the amount.

2. As it might appear that George Goodenough is a minor, the Advocate General will be requested, through the Government Solicitor, to advise the Government in what manner the refund of $\frac{1}{4}$th of the amount of the escheat which has been granted to him by the Secretary of State should be made.

Chief Secretary.
