REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. TEMPLE, Acting Assistant Inspector General of Mofussil Police, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 17th April 1863, No. 942:—

SIR,

1. I have the honor to bring to the notice of the Government that the Civil Paymaster has disallowed that portion of the enclosed Bill* for Guards supplied, that is debitable to the Salt Department, on the ground that the provision made has been exhausted.

* Requested to be returned.

2. In the Supplemental Budget of the Revenue Department a further provision for Police under this head was made of Rupees 42,051, but there being large savings under Salt, the Accountant General was called on by Government Order No. 2,698, dated 30th December 1862, to report whether a supplemental grant was necessary or whether the savings could meet the charge. This he did in his letter No. 422, dated 7th March 1863, Budget and Finance, stating that the savings could meet the charge, and recommending that the Civil Paymaster be authorized to pass it. This the Civil Paymaster is not aware of.

ORDER THEREON, 21st April 1863, No. 698.

Resolved that the attention of the Acting Civil Paymaster be called to paragraph 5 of the Proceedings of Government, dated 30th December 1862, No. 2,698, and that he be authorized to pass the charges alluded to in paragraph 7 of the Board's Proceedings, dated 6th December 1862, against the savings under "Salt" in the Budget for 1862-63. Mr. Mangles will be furnished with a copy of the Acting Accountant General's letter dated 7th March 1863, No. 422, paragraph 4 of which he explains that the balance under "Salt" is sufficiently large to meet the additional charges in question.
