Proceedings of the Madras Government, Judicial Department,

5th May 1863.

No. 30. Read the following letter from Captain L. PAXTON, Acting District Engineer, Tinnevely; to the Deputy Chief Engineer, Southern Circle, dated Sattur, 27th March 1863, No. 155.

I have the honor to forward herewith an estimate with plan for constructing a temporary building required for the Sub-Magistrate's Cutcherry at Vellaticolum.
Rupees 160.

This work, is at the request of the Collector, being executed as emergent, the original building having been rendered perfectly uninhabitable by the heavy rains during last monsoon, and there being no other building available as a Cutcherry until the new building* entered in the Budget for 1863-64 be completed.
* Estimate, Rupees 3,300.

I shall therefore be obliged by your obtaining the Chief Engineer's sanction to the work being carried out, and charged to the general Repair Fund of the District.

No. 107.

Submitted for the information of Government, with a request that the accompanying estimate of Rupees 160 for constructing a temporary building for the Sub-Magistrate's Cutcherry at Vellaticolum, in lieu of the original one which has been rendered perfectly uninhabitable by the heavy rains of the last monsoons, may be sanctioned from the sum of Rupees 400 allowed in the current year's Budget under the head "Land and Miscellaneous," in the Tinnevely District.

2. It will be observed that the work being of an emergent nature, it is being executed at the request of the Collector, who has countersigned the estimate in token of approval.
