Proceedings of the Madras Government, Judicial Department,
6th May 1863.

No. 42. Read the following letter from H. E. SULLIVAN, Esq., Acting Civil and Session Judge of Bellary; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated 18th April 1863, No. 68.

I have the honor to submit for the consideration and orders of Government copy of a letter received from Captain Hearn, Deputy Inspector General of Police, suggesting that the sittings of the Sessions Court should be transferred from the present building to the late Principal Sudder Ameen's Court close to the Jail.

2. The arrangement proposed by Captain Hearn would, in my opinion, benefit all parties. The accommodation in the present Sessions Court is very deficient, whilst in the late Subordinate Court House it is ample. The other advantages pointed out by Captain Hearn will also be secured by the transfer proposed.

3. The District Moonsiff of Bellary at present holds his Court in a portion of the building near the Jail. He can be accommodated in the present Sessions Court.

4. I enclose a sketch showing the relative position of the two buildings. A few trifling repairs will be needed, which, in the event of Government approving of the proposed arrangement, I have the honor to request the Public Works Department may be directed to execute.

From Captain C. S. HEARN, Deputy Inspector General of M. Police, in charge Bellary District; to H. E. SULLIVAN, Esq., Officiating Session Judge of Bellary, dated Bellary, 17th April 1863, No. 213.

In the late revision of the Police estimates the special provision for Court guards has been omitted, and that extra duty has been thrown on the reserves. It therefore becomes a matter of importance to economize men.

2. I venture to suggest for your consideration that were the Sessions Court removed to the late Sudder Ameen's Court House, close to the Jail (which appears to be a more commodious building than the present Sessions Court House) great facilities would be afforded for escorting prisoners to and from the Jail and guarding the Court property with far fewer men than at present, owing to the close proximity of the Jail guard.

Acting Session Judge.

No. 43. ORDER THEREON, 6th May 1863, No. 701.

On the recommendation of the Deputy Inspector General of Police and the Acting Civil and Session Judge of Bellary, the Governor in Council approves and sanctions the proposed arrangement for the transfer of the Sessions Court to the late Principal Sudder Ameen's Court House close to the Jail, and for the District Moonsiff being accommodated in the present Sessions Court. Orders will be issued in the Public Works Department for the execution of any trifling repairs that may be required to the building. The Civil and Session Judge's letter should have been submitted through the High Court.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
