Proceedings of the Madras Government, Military Department.

No. 529. Read the following letter :—

From the Quarter Master General, Fort Saint George, 11th March 1863, No. 2015; to the Secretary to Government, Military Department.

In reference to paragraph 2 of Order of Government, No. 3553 of the 15th October 1862, I have the honor, by desire of His Excellency the Commander-in-Chief, to recommend that the Military Buildings at Samulcottah and Ellore be made over to the Department Public Works, to be sold by auction for the benefit of Government, as I have ascertained that they are not required by any Department for public purposes.

2. There are numerous buildings at the several Stations throughout the Presidency, which are not at present required for Military purposes and have therefore been made over to the custody of the Police, but as the Inspector General of Mofussil Police states that, except at Ellore and Samulcottah, it has not been found necessary to furnish Constabulary for the protection of the buildings referred to, the Commander-in-Chief presumes Government would not desire the buildings, in the protection of which no expense is incurred, to be disposed of.

No. 530. ORDER, No. 1008, *25th March* 1863.

Approved.

2. The Chief Engineer Department Public Works will report to Government, in what manner the buildings in question may be most advantageously disposed of—the Rules laid down in the order in the Revenue Department marginally noted, in respect to the land on which they stand, being duly observed.

No. 477, dated 6th March 1863.

3. The Quarter Master General will submit, for the information of Government, a list of the buildings referred to in paragraph 2 of the letter above recorded.

Deputy Secretary to Government.
