Extract Minutes of Consultation, 5th July 1851, No. 414.	* It appears from the Proceedings of the Madras Government, dated 18th May 1860, No. 616, that the Agent in Ganjam was directed to report again at the end of 1861 respecting this State prisoner, but nothing was heard of since.

They were charged with having incited certain Sowerahs, two of whom were executed and three transported for life, to commit a murder. The evidence, however, was not considered sufficient to ensure their conviction before the Sessions Court. Extract Minutes of Consultation, 2nd February 1856, No. 103.	In Proceedings, 19th December 1859, No. 1,691, the Government declared they could pass no orders as regards them.
Seally Byrajee *alias* Kayadoo Dora. Wunna Lutchia Dora Goraybunda Neelambara Dora.	Bellary.....	Orderly... ...	Good...	The prisoners were charged with acts of rebellion during the disturbances raised by the Dundasenah in Kimedy but were acquitted by the Foujdaree Udawlut. The Government however were satisfied that they had failed in their duty as Chieftains holding lands on favorable terms on the condition of affording aid and information to Government on occasions of disturbances of the peace, but had actually assisted the rebel leader Dundasenah. It was therefore deemed necessary in the state of the country that they should be deported from it for a time, and placed under personal restraint. Extract Minutes of Consultation, 27th October 1857, No. 1,410.

The Government declared that the period of confinement in each case must depend upon circumstances, but to produce the due effect upon the parties themselves and on others it may be necessary to prolong it in the worst cases to the most distant date consistent with the intention of the act. Notes of the characters given to them by the Joint Magistrate were made from his report, as also his opinion as to the term of imprisonment to be awarded to each, as a guide to Government. In the address used in the name of Government it was to be pointed out to the Moplah population that the period of detention for those who were deported would greatly depend on the future conduct of their countrymen in Malabar.
