Proceedings of the Madras Government, Judicial Department, 21st January 1863.

Read again Proceedings 2nd December 1862, No. 845.

Read also the following papers :—

No. 101. From H. A. MANGLES, Esq., Acting Deputy Auditor and Accountant General ; to the Chief Secretary to Government, Fort Saint George, dated 8th December 1862, No. 301.

Budget and Finance Department.

In reply to the Proceedings of Government, No. 845, dated the 2nd instant, requesting me to report whether Rupees 8,600, being the amount of the Supplemental Estimate for 1862-63 submitted by the Commissioner of Police, and which accompanied the above Proceedings, could not be met from savings, I have the honor to state that, as the amount originally entered in the Budget under " F III, Law and Justice," had been reduced by the Government of India by one lac of Rupees, I am unable to point out any savings under that head of service, I purpose therefore to include the additional grant applied for by the Commissioner of Police, in the Supplemental Budget for the current year, now under preparation in this office.

No. 102. From H. A. MANGLES, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 17th December 1862, No. 313.

Budget and Finance Department.

With reference to the Proceedings of Government in the Judicial Department, No. 1,994, dated the 9th instant, requesting to be informed whether the increased charges of Rupees 1,196 per mensem, commencing from 1st January 1863, caused by a re-arrangement of the Agents' and Judges' Courts at Ganjam, Vizagapatam, Chicacole and Masulipatam, can be met from the Budget for the current official year, I have the honor to refer you to my previous communication of the 8th instant, No. 301, wherein I pointed out that the Budget grant under " F III, Law and Justice" for the current year, will not show any surplus available for extra charges of the nature now under reference. The amount, Rupees 3,588, required for the remainder of the current official year, will therefore be included in the Supplemental Budget Estimate now under preparation in this office; meanwhile the charge may be disbursed as an advance, if Government think fit, pending receipt of the sanction of the Government of India to that Estimate.

No. 103. ORDER THEREON, 21st January 1863, No. 78.

In his letters recorded above, the Deputy Auditor General reports that there will be no surplus available under Law and Justice for extra charges, not provided for in the Budget.

2. His Excellency the Governor in Council observes that the Deputy Auditor General should have stated whether there are not savings under any other Budget head, from which the required amount might, with the sanction of the Government of India, be transferred to Law and Justice. This will be a more expeditious course than that of including the extra charges in a Supplemental Budget, and it is moreover needless to apply for further funds, when the original grant for the year is more than can be expended in all Departments.

Chief Secretary.
