Proceedings of the Madras Government, Judicial Department,
26th May 1863.

No. 204. Read the following letter from A. PURVIS, Esq., Magistrate of the Godavery District; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Cocanada, 6th May 1863, No. 156.

I have the honor, with reference to the Orders of Government of the 19th September and 1st December last, Nos. 1,547 and 1,940, to forward a sketch map* of the Rumpah country. It has been prepared mainly from information furnished by the present Superintendent of Police of the Godavery District, Lieutenant Robertson, who, as Government are aware, visited the country in September last.

* By Banghy.

2. In communication with me Captain Tennant, the Deputy Inspector General of the Range, addressed the Inspector General of Police in regard to the roads which it was desirable to establish through the country, but I have not heard whether his report has been brought under the consideration of Government.

3. The roads proposed and the probable cost of the same, with a few remarks supplied by Lieutenant Robertson, are given in the statement now submitted.

4. Labor is of course very scarce and the work could only be performed gradually by employing the people of the country on the same, but I strongly recommend that authority be granted to commence operations.

No. 205. ORDER THEREON, 26th May 1863, No. 800.

His Excellency the Governor in Council authorizes the several works proposed in the foregoing letter, for improving the communications in the Rumpah country at an estimated cost of Rupees 15,400.

2. The requisite funds will be placed at the disposal of the Magistrate from the Public Works Reserve Fund, and the work will be executed under his orders.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
