Proceedings of the Madras Government, Judicial Department, 26th May 1863.

No. 213. Read the following letter from Lieutenant Colonel E. HEMERY, R. E., Superintending Engneer, 3rd Division ; to the Secretary to Government, Public Works Department, dated Camp Madanapalli, 15th May 1863, No. 1 of 1863-64.

General Records and Regulations.

I have the honor to request you will be so good as to obtain the sanction of Government at an early date to the accompanying estimate amounting to Rupees 81, prepared at the request of the Officiating Sessions Judge of Kurnool, for improving the Court House at Nundial by placing a railing across the Court so as to form a bar, and also for constructing a witness box.

Enclosures 2.
1 Acting District Engineer's letter, No. 16.
1 Estimate.

2. The Sessions Judge remarks that "these improvements are essential for the conducting of "the business of the Court with due order," and the Acting District Engineer requests me to allow him to commence the work at once as the Court stands adjourned until the 4th July, prior to which date it is very desirable that the work should be completed ; but as the estimate is for improving an existing building, I am under the impression that the sanction of Government must be obtained for the execution of the work.

3. The amount of the estimate can be met from the sum of Rupees 150 entered at page 48 of the printed Budget of 1863-64 for the repair of Court Houses in the Kurnool District.

Referred to the Judicial Department.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government, Public Works Department.
