Proceedings of the Madras Government, Judicial Department, 27th May 1863.

No. 248. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Rajahmundry, 20th May 1863.

I have the honor to state that in observance of the Order of Government conveyed by your Telegram of the 12th instant, I have selected ground well suited to the site of the Central Prison, and I see no reason to doubt that the ground opposite Mr. Irvine's gate is the best for the purpose.

If the Government decide on building the Jail here it will be sufficient to instruct Captain Chambers to build it here instead of at Waltair, both being in his range.

The land is waste and unoccupied.

There are many sites very little inferior to this, the vicinity of which to the Police lines and to the town is a recommendation.

No. 249. ORDER THEREON, 27th May 1863, No. 829.

His Excellency the Governor in Council sanctions the selection of the site referred to in paragraph 1 of the foregoing letter for the Central Prison, provided that the Medical Officer at Rajahmundry sees no objection to it. As soon as this point has been ascertained, Mr. Rohde can return to the Presidency.

2. Orders will be issued in the Public Works Department for the commencement of the work, when the Superintending Engineer of the 1st Division has been informed by the Inspector General, that there is no objection to the site on Medical ground.

3. The Superintending Engineer will report, in communication with the Inspector General, what expenditure has been incurred on the site originally selected at Waltair.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
