*Proceedings of the Madras Government, Judicial Department,
21st January 1863.*

No. 110. Proceedings of Government, dated 21st January 1863, No. 82.

The attention of His Excellency the Governor in Council has been drawn to a license issued by the Acting Magistrate of the Kistna District to the Zemindar of Vallur, permitting him to proceed to Madras with 230 armed followers, of whom 90 are to be armed with muskets, 80 with spears, 40 with swords, and 20 with pistols.

2. Such a license is obviously very objectionable. No private individual should be allowed to travel about the country with a large retinue of armed men not in the service of the State.

3. There is no objection to a pass being given to enable travellers to arm themselves, and one or two of their servants. If a large guard be required, application should be made to the Superintendent of Police for a Police guard, which, if available, will be provided on payment. No other armed guards in excess of the limit above prescribed should be permitted.

Chief Secretary.
