No. 38.

OFFICIAL MEMORANDUM.

Book and Adjustment Department.

With reference to the Order of Government, No. 747, dated 18th instant, directing me to have $\frac{1}{6}$th of the amount* paid into the Bank of Madras, by the Administrator General, on account of the Estate of Mary Goodenough, invested in the four per cent. Loan in the name of George Goodenough, the Acting Accountant General has the honor to observe that 10,000 Rupees of the above sum, is already in Government Promissory Notes of the 5 per cent. Loan of 28th February 1857. He, therefore, requests that he may be informed, whether it was the intention of Government that the amount should be actually invested in the 4 per cent. Loans, or whether the expression four per cents. was adopted merely in accordance with the wording of the opinion of the Advocate General, who may have overlooked the fact that the money was already invested in the five per cents.

* Rupees 10,970-6-11.

(Signed) H. A. MANGLES,
Acting Accountant General.
