No. 50. Read the following letter from Lieutenant Colonel G. W. WALKER, R. E., Superintending Engineer 7th Division ; to the Secretary to Government, Public Works Department, dated Tellicherry, 18th May 1863, No. 4.

I have the honor to forward for the sanction of Government plan and estimate of a building intended for the use of the Superintendent of Police at Mangalore, and prepared according to the personal instructions of that Officer and of the Inspector General of Police, by whom the draft plan was approved. The Superintendent of Police at present holds office in a Bungalow in the Military Lines, rented at Rupees 40 a month. The building now proposed for his accommodation is the former "Cutwall's Choultry" lately used as the Town Police Station, for which room has now been found in the Talook Cutcherry ; it is situated in an open compound in the busiest part of the town.

2. The additions required are an upper story, and an additional rear verandah below, the estimated cost of which being only Rupees 1,550 or little more than 3 years' rent of the present inconvenient building, it is proposed to defray from such portion of the Imperial sanction for Police works of 1863-64 as the Inspector General may allot to the District of South Canara.

Referred to the Judicial Department.
