Proceedings of the Madras Government, Judicial Department,
8th June 1863.

No. 61. Read the following letter from A. W. PHILLIPS, Esq., Sessions Judge of Chingleput; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Chingleput, 3rd June 1863, No. 235.

I have the honor to forward herewith the Abstracts of pay and allowances due to Serjeant M. Foley of the Royal Artillery, and now Jailer at Chingleput, and as the Civil Paymaster and the Military Department both return the same, as will be seen by copies of letter and Memorandum enclosed, I request instructions as to whom I am to apply for payment.

The Abstracts were not sent in earlier as it was necessary to wait for the last pay Certificate, about which between the Paymaster at Trichinopoly and the Civil Department at Ootacamund there was an inexplicable delay, and altogether Serjeant Foley has been put to much inconvenience.

From Captain J. W. RIDEOUT, Examiner Pay Department; to the Paymaster, Presidency, dated Fort Saint George, 14th April 1863, No. 1,099.

In reply to your letter dated —— April 1863, No. 1,482, I have the honor to acquaint you, that pay is not admissible in the Military Department under any circumstances beyond the period of one year to Soldiers in Civil employ, and Military pay to Serjeant Foley, who is employed as Warder in the Jail of Chingleput is, therefore, not payable as a Military charge after 23rd December 1862, the date of expiration of one year from that* on which he entered upon those duties, vide Pay Code, page 183, paragraph 5.

* 24th December 1861.

2. The Abstracts received with your letter are herewith returned.

Proceedings of the Madras Government, Judicial Department, 8th June 1863.

No. 62. ORDER THEREON, 8th June 1863, No. 886.

It appears from the papers submitted with the foregoing letter that according to rule Military pay to Serjeant Foley, who is employed as Warder in the Jail at Chingleput, is not payable as a Military charge after 23rd December 1862, the date of expiration of one year from that on which he entered into Civil employ. His pay and allowances after that date would therefore have to be disbursed in the Civil Department; but as no provision has been made for them in the Budget for 1863-64, the Civil Paymaster has refused to pass the Pay Abstracts, observing that by recent orders of the Government of India all payments both on account of current and arrear charges, made from 1st May 1863, must be charged against the Budget for that year.

Pay Code, page 183, paragraph 5.

2. The Governor in Council accordingly requests that the Accountant General will include the charges in question in the Supplemental Estimate under "F III, Law and Justice," which he has been called upon to submit for the sanction of the Government of India; and also that he will instruct the Collector of Madras to disburse the amount of the Bills in advance, as also the Pay Abstracts for the subsequent months as they fall due to be adjusted hereafter on the receipt of such sanction.

Order, Judicial Department, 4th June 1863. No. 870.
