Proceedings of the Madras Government, Judicial Department,
12th June 1863.

No. 109. Read the following letter from W. ROBINSON, Esq., Inspector General of Madras Police; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 8th June 1863, No. 1,427.

Account Department.

I have the honor to request you will bring to the notice of the Government the peculiar hardship experienced by the Apothecary attached to the Police and Agent's Establishment at Jeypore. The place is so isolated and removed from all roads of communication that every article of European use is difficult to be procured and very expensive. The climate too is unhealthy and necessitates greater precautions than the low country. By Orders of Government, No. 1,159, dated 23rd July 1862, Judicial Department, the Apothecary is granted a certain rate of batta while travelling, but otherwise is treated in no respect different from his equals in the plains and is without any encouragement to continue earnest at his work. I would recommend in lieu of the occasional allowance of batta, Rupees 30 per mensem be granted to the Apothecary employed there as a special case.

No. 110. ORDER THEREON, 12th June 1863, No. 914.

The Inspector General of Police will be good enough to state whether the fixed allowance of 30 Rupees per mensem proposed to be given to the Apothecary at Jeypore in lieu of batta, can be met from the amount of the Budget grant.

(Signed) J. D. SIM,
Secretary to Government.
