MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Officiating Adjutant General, Fort Saint George, 8th May 1863, No. 368; to the Secretary to Government, Military Department.

Referring to the letter, No. 146, dated 4th February 1863, recorded in Proceedings of Government, dated 11th March, No. 800, I have the honor, by order of the Commander-in-Chief to request to be informed, whether orders are to be issued, "that all Guards in and about a

"Cantonment are to be taken by the Troops until the men come to have less than four nights out of five in bed."

2. This question is asked specially with reference to Guards over Commissariat Godowns, which at several Stations have been furnished by the Police since the publication of G. O. O. C. 13th March 1861, No. 25, which directed that all Guards except those required for purely Military purposes, should be supplied by the Police.

ORDER, No. 1758, 29th May 1863.

The Governor in Council is of opinion that orders should be issued to the effect indicated in paragraph 1 of the foregoing letter, as being in accordance with the views expressed in letter No. 146 from the Deputy Secretary to Government of India, to the Officiating Adjutant General, recorded in Proceedings of Government, No. 800, 11th March 1863, which requires it to "be considered a standing rule that all Guards in and about a Cantonment should be taken by the Troops until the men come to have less than four nights out of five in bed;" and "that purely Military Guards (such as Main Guards, &c.) should be at all times furnished by Troops."

2. The Governor in Council awaits the expression of the Commander-in-Chief's views on the reference made in Orders of Government, No. 800, dated 11th March 1863,—it being understood that the system of Guards and Sentries in force in Bengal differs materially from that here, and which may consequently render some modification of the instructions referred to in the 1st paragraph of the Order, expedient in finally disposing of the subject.
