Proceedings of the Madras Government, Judicial Department, 9th July 1864.

Read the following papers:—

No. 120. From J. MACPHERSON, Esq., Officiating Resident Councillor, Prince of Wales Island; to the Secretary to Government, Judicial Department, Fort Saint George, dated Penang, 28th June 1864, No. 261.

Agreeably to the terms of the letter of the Chief Secretary to the Government of Fort Saint George,* I have the honor to report that five Chinese convicts, whose Calendars and Descriptive Rolls I enclose, have been sent to your Presidency per Transport *Arracan*.

* No. 1421, dated 3rd September 1863.

2. I regret that it has not been in my power to give timely notice of the proposed despatch of these convicts, but the Calendar of four out of the five was handed to me only yesterday by the Sheriff, after the arrival of the *Arracan*, and by detaining them for a future opportunity, I should most probably put Government to considerable expense on account of passage, guard, &c. I trust therefore that the absence of timely notice on the present occasion may be excused.

No. 121. From Lieutenant Colonel W. J. WILSON, Commissioner of Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 8th July 1864, No. 68.

With reference to the Order of Government noted in the margin, I have the honor to report that 18 Chinese and Malay convicts were landed this day and have been received into the Penitentiary.

Judicial Department, 17th June 1864, No. 892.

2. Two lists showing the names of the convicts, and signed by the Sheriff and Deputy Sheriff are forwarded herewith.

No. 122. ORDER THEREON, 9th July 1864, No. 1032.

The papers relating to the five Chinese convicts referred to in the Resident Councillor's letter will be made over to the Commissioner of Police.

Calendar, &c., and Descriptive Roll of four prisoners.
Calendar and do. do. of one prisoner.

2. The Inspector General of Jails is requested to report whether accommodation has been prepared at Ootacamund for 13 of the convicts arrived by the *Arracan*, of whose despatch he was informed in Proceedings 17th ultimo, No. 892; whether he can provide for the five additional prisoners; and whether he can arrange for the issue of warm clothing to the entire number prior to their reaching the Hills.
