Proceedings of the Madras Government, Judicial Department,

16*th July* 1864.

Read again Proceedings, 28th June 1864, No. 944.

No. 189. Read also the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 5th July 1864, No. 58.

In acknowledging the Order of Government, 28th June, No. 944, on my recommendation that a Civil prison should be built, I have the honor to state that I regret my letter was not more explicit, as I had no intention to propose a building so detached as to require a separate establishment, but only a building sufficiently detached to be, for all practical purposes, distinct from the convict prison.

2. The Zillah Jail should, in my opinion, be distinct for the European Penal Servitude prison and Civil prisoners. Europeans and Natives should all find accommodation in the Zillah Jail.

3. I am not sure that the additions should not be for the Criminal prison, the present building being accommodated to the purposes proposed by Mr. Innes; but this is a matter of detail and economy that I am not at present prepared to enter into, but which I should place before Government in submitting the plan should my recommendation of the 28th May meet the approval of Government.

No. 190. ORDER THEREON, 16th July 1864, No. 1076.

Mr. Rohde will submit a plan and specification as proposed by him, but the work cannot be commenced until funds are available.
