Proceedings of the Madras Government, Judicial Department,
23rd July 1864.

No. 263. Read the following letter from the Honorable R. S. ELLIS, C. B., President Sanitary Commission, Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, — June 1864.

I have the honor to acknowledge the receipt of the order of Government, dated 19th May 1864, No. 737, on the subject of the amended rules proposed for the Municipal Commission of Bellary.

2. The Sanitary Commission see no reason to alter these rules in respect of purely Sanitary matters. But I venture to suggest that as rules for the administration of Military Cantonments, under Act XXII of 1864, are under the consideration of Government, and as the limits of the Cantonment of Bellary will, probably, be considerably extended under these rules, it will be desirable to intimate to the President of the Municipal Committee of the Cowl Bazaar, Bellary, that the rules proposed by him are only temporarily sanctioned.

3. I may also observe that I am about to submit to the Government a scheme for a public health Service, and for the levying a cess for Municipal purposes similar to Act III of 1864, Bengal, which, if sanctioned, will have for its effect to transfer the Municipal administrations under Act XXVI of 1850 to a more complete Municipal Corporation.

4. This is provided for in Act III of 1864, Bengal; but there seems an additional reason for regarding the proposed arrangements respecting the Cowl Bazaar at Bellary as only of a temporary nature.

No. 264. ORDER THEREON, 23rd July 1864, No. 1120.

The Governor in Council sanctions the amended Rules now submitted by the Municipal Commissioners of the Cowl Bazaar, Bellary, subject to revision hereafter on the limits of the Cantonment being changed, or any new law being enacted.
