Proceedings of the Madras Government, Judicial Department, 26th July 1864.

No. 284. Read the following letter from Lieutenant Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division; to the Secretary to Government, Department Public Works, dated Coonoor, 13th July 1864, No. 60.

I have the honor to request permission to dispose of the old building alluded to in the accompanying documents* (the old Moonsiff's Court House at Waniencolum), and to credit the amount realized by the sale of its materials in reduction of the estimate of Rupees 1700 for construction of a new Court House, sanctioned in Government Order, No. 1497 of 23rd May.

* 1 Letter from the Civil Judge of Calicut, No. 192, dated 4th July 1864.
Do. from Mr. Smither, dated 11th do. No. 67.

From H. D. COOK, Esq., Civil and Session Judge of Calicut; to Lieutenant Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, Coimbatore, dated Calicut, 4th July 1864, No. 192.

In reference to the request for permission to dispose of the Moonsiff's old Court House at Waniencolum, conveyed in the copy of the Supervisor's Inspection Report, I have the honor to state that as the Government has sanctioned the erection of a new Court House for Nedungamad the old one is not required for any use by the Judicial Department; but I think the permission to dispose of the building should be obtained from the Government, or any other Department having charge of all Government buildings.

To Mr. Supervisor Smither—who is requested to state whether the building is likely to be of use for any other Department, such as the Police who are in want of accommodation; if not, to ascertain whether private individuals will buy it, or whether its materials had better be sold piecemeal.

(Signed) G. W. W.

7th July 1864.

From Mr. T. SMITHER, Supervisor, 7th Division, in charge of Palghaut Range; to Lieutenant Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, dated Ponany, 11th July 1864, No. 67.

In reply to your questions on the back of the enclosed documents, I would beg to state that there are no Police stationed at Waniencolum, but at Wattapolum, a Railway station, distant three miles.

2. The Revenue Department does not need a building in that locality, and it is not centrical enough to be of any use to our Department as a Taluq Overseer's store-room.

3. The only way in which it can be disposed of is by selling it for the value of the materials in it: that could be done by dividing it in lots, say the roof, doors, windows, shutters, and walls. I do not think that any person would purchase it with the intention of using it as it stands.

Referred to the Judicial Department.
