No. 294. Read the following letter from F. [illegible]TON, Esq., Accountant General; to the Secretary to Government [illegible]ial Department, Fort Saint George, dated 20th July 1864, No. 70.

Book and [illegible] Department.

With reference [illegible] 2nd paragraph of the Order of Government, No. 1048, dated 13th inst[illegible] [illegible]ng me to report on the proposal of the Inspector General of Mofussil Pol[illegible] [illegible]n account with the Madr[illegible], for the concentration of all the Lodg[illegible] [illegible]ents which are now [illegible] in [illegible] District Treasuries, I have the honor to observe, that I do not see the n[illegible] [illegible] proposition of Mr. Robinson, unless he wishes to inves[illegible] money Paper, as is the case with the Pension Fund of his Department[illegible] [illegible]ose alone the collections in the Mofussil, on account of the Pension Fund, are remitted to Madras. But from paragraph 3 of his le[illegible] [illegible] appears that the whole amount of the Lodging Fund is needed for repairs; [illegible] be most convenient to retain the money always in the Provinces where it is wanted, instead of remitting it to Madras, then drawing it out, and remitting it again to the Province, w[illegible] be the case should the proposition of Mr. Robinson be adopted, without any corresponding advantage.

2. Should Mr. R[illegible], however, desire at any time to know the state of the Lodging Fund, he might obtain the information from this office, or from the District Superintendents of Police.
