*Proceedings of the Madras Government, Judicial Department,
2nd August 1864.*

No. 5. Read the following letter from M. CROSS, Esq., Judge of the Court of Small Causes, Negapatam; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Ootacamund, dated Negapatam, 20th July 1864, No. 120.

In the Proceedings of Government, No. 457, dated 5th April 1864, it was ordered that should further Jail accommodation, in addition to the Subsidiary Jail now in course of construction at Negapatam, be required the Judge of the Court of Small Causes will refer on the subject to Government, in communication with the Magistrate of Tanjore.

2. I have now the honor to report that I have communicated with that officer and have ascertained from the Acting Sub-Collector, under whose control the Subsidiary Jail is, that it is barely large enough to meet present requirements, there being only two cells which, when women happen to be incarcerated, require male prisoners under remand and those under sentence to be confined in the same cell.

3. The other part of the building seems to be fully occupied by the Tahsildar's establishment and Treasury.

4. The building, however, is of that construction as would admit of an additional lower room, the whole width of the building being added to the North wing at no considerable expense.

5. Accommodation for 10 persons would, I think, suffice, and I conclude the present guard of the Subsidiary Jail could undertake the charge of this lock-up, the Nazir of this Court being responsible for the daily payment of the Jail batta.

No. 6. ORDER THEREON, 2nd August 1864, No. 1165.

The Superintending Engineer of the Division will be requested in the Public Works Department to prepare a plan and estimate for the construction of an additional ward in the Subsidiary Jail at Negapatam, for use as a Civil Jail. Accommodation should be provided for 10 inmates.

2. The estimate, when submitted, will be sanctioned for insertion in next year's Budget.
