*Proceedings of the Madras Government, Judicial Department,  
13th August 1864.*

No. 87. Read the following letter from P. P. HUTCHINS, Esq., Acting Registrar of the High Court of Judicature at Madras ; to J. D. SIM, Esq., Secretary to Government in charge, Judicial Department, dated Madras, 6th August 1864, No. 58.

I am directed by the Judges of the High Court to forward the accompanying Statement of certain items remaining unadjusted on the accounts of the late Subordinate and Principal Sudder Ameen's Courts at Vizagapatam.

2. The Civil Judge states in a letter dated 20th ultimo, that " the first three items, namely, (1) the price of palmyra leaves, Rupees 3 ; (2) carriage of stolen property to the Session Court of Chicacole in Criminal cases committed to that Court, Rupees 2-4-0 ; and (3) batta given to certain prisoners committed to the Sessions by the late Principal Sudder Ameen's Court, Rupee 0-9-3, appear to have been advanced from the Permanent Advance Fund of the late Principal Sudder Ameen's Court, but never entered in the Contingent bill of that Court through some mistake of the ministerial servants."

3. " The last item, namely, Rupees 20-2-1, was the price of paper purchased for the use of the late Subordinate Court, but stolen while in the Court House. It appears that there was some inquiry into the matter, but the loss was not such as to be attributable to the carelessness of any of the Court's servants. The value of this paper was also paid from the Advance Fund on hand, but never re-placed."

4. I am desired to recommend that authority should be given to the Civil Paymaster to adjust the amount of these items, viz., Rupees 25-15-4.

No. 88. ORDER THEREON, 13th August 1864, No. 1222.

The Governor in Council directs that the payments referred to be included in the Contingent bills of the Civil and Sessions Judge of Vizagapatam. The Civil Paymaster is authorised to admit the items.
